

SANCTITY OF LIFE SUNDAY

THE REAL SILENT SCREAM

I. The sanctity of life was instituted by God because only humans reflect the glory of God.

II. God starts at conception to develop a child.

III. Even when people are not perfect God acknowledges the fact that the one in the womb belongs to Him.

IV. What God decides to start, He doesn't give us the liberty to decide when to end.

V. He loves what He sees in the womb although the infant is sinful from the day it's conceived.

VI. God so loves life He wants everyone on earth to live with Him.

THE SANCTITY OF LIFE, PRO-LIFE, IS ROOTED IN TRUTH, TRUTHS THAT ARE TRUE, IN GOD'S TRUTH, NOT BECAUSE SOMEBODY JUST SAID IT WAS TRUE!
