Missionaries of the Month –Grant and Christianne Walsh

The Walsh’s are seeing a willingness to embrace the Word of God after their second year ministering to the people of Thailand. Christianne started teaching full-time this year at the International School. She was ready to start using her teaching gifts again inside the classroom. This is also a missionary position with no additional pay - she is doing it out of a sense of calling.

Their children are doing well in Thailand and love life there. Judah is 14 and playing basketball on his JV team (Grant is helping coach) and Asher is able to read and enjoys playing with yo-yos and the keyboard. The credibility and influence of the Walsh’s ministry is increasing in the community and therefore God’s Word is spreading. Praise the Lord .
