

## Palm Sunday

1. God's Grace is more appealing than human works.
  - a. Human Religion is an outward performance built on the worship of self.
  - b. God's Grace is an inward heart transformation built on love and repentance.
  
2. God's Word is more trustworthy than human opinion.
  - a. Human opinion is based on an unjust worldly calibrated scale that distorts the perception of reality.
  - b. God's Word perfectly calibrates the scale to see truth and reality.
  
3. God's Plan for His Kingdom is more extraordinary than human achievement.
  - a. Human achievement is crowned by coronating sinful man.
  - b. God's Kingdom is achieved by the death, burial, and resurrection of the Perfect GodMan.
